The missing notebook

At six o’clock, Ella left her green notebook on a chair in the reading room. When she came back, the notebook was gone.

“I cleaned this room,” said Max. “I put everything from that chair into a basket. Then I left the basket under the table.”

Ella looked under the table. There was nothing there.

Follow the clues

“Helen needed that basket,” Max said. “She took it to the office, next to the kitchen.”

Where should Ella look first?

1. Where did Max put the things from the chair?

2. Where should Ella look for her notebook now?

3. What colour is the notebook?

Check your answers

1. He put them into a basket.

2. She should look in the basket in the office.

3. It is green.

El cuaderno pasa de la silla a la cesta. Helen lleva la cesta a la oficina. Esos dos movimientos explican donde buscar.

chair: silla; basket: cesta; floor: suelo; twice: dos veces.
